## **Sponsors - What You Need to Know**

### **Counselors**

To better protect our campers, we will ask that teachers, sponsors, spouses, and interns act as counselors among the dorms. Adults are expected to keep track of their individual groups. If a congregation cannot provide chaperones, please notify us so we can make accommodations.

### **Check-in/Check-out**

Check-in is on Monday, June 3rd at 6:00 PM at the appropriate housing hall.  
Check-out is Thursday, June 6th at 11 AM at the appropriate housing hall.

### **Camper Fees**

Final payment for all campers is due upon arrival. Please notify us if you have any further questions.

### **Sponsor Fees / Meals**

All sponsors must register online and pay the registration fee (Includes seven meals and housing).  
Reduced fee is available for adults who are visiting during the day or those who are staying off campus.

We intend to house sponsors on campus for camp but some may wish to stay off campus. We expect all sponsors to act as counselors in their respective dorms. Whatever your housing plans may be, you must notify us prior to your arrival for further arrangements. This will help us keep families/spouses together if possible.

### **Miscellaneous Information**

Sponsors are welcome to attend the adult classes, We would love to give you the opportunity to explore Lubbock. However, please plan on attending the events throughout the day without leaving campus. This allows us to create a better atmosphere overall for the campers. If you'd like to explore the city please do so before or after the camp.

### **Taking Campers Off-Campus**

For continuity and safety, all camps are a closed campus. Campers are encouraged to not leave campus
